

Edward Sprafkin - Digital Painting for Fine Artists - Supply List

- Any iPad that supports Apple Pencil and can run the current version of Procreate.
- Apple Pencil - fully charged (1st or 2nd generation, depending on your iPad model)
- Procreate app installed before the first class/workshop. (There is a one-time fee to purchase the Procreate app via Apple's App Store.)
- iPad- fully charged (Bring your charging cable in case your iPad battery runs low during the workshop.)

Before Class

Please arrive with Procreate already installed and updated on your iPad. Basic familiarity with using an iPad (opening apps, adjusting settings, and connecting your Apple Pencil to Blue Tooth) is helpful, but no prior experience with Procreate is required.

Nice-to-Have (Optional)

- A tablet stand or case that props up your iPad
- Sketchbook and pencil for planning ideas or taking notes.
