Supply List for Painting Workshop

Odorless mineral spirits- I like Gamsol

Container for Odorless mineral spirits

Baseball cap, visor, or hat with brim

Small garbage/plastic bag for used paper towels

Easel light with clamp- I use a cordless rechargeable music stand light by Long Beach found on Amazon approx $30 There are other names too. These are much cheaper than the art easel lights that some companies make.

Viva paper towels or shop towels- these are both cloth like.

Palette - I use a glass or plexiglass palette with a midtown grey paper underneath. Sometimes I use white underneath if I'm working in a high key but a wooden one is ok too. Paper palettes in grey are OK too 9 x 12 at least.

Canvas- I use Claessens 13 DP or Paris linen available at Jerry's Artarama. Any of the premium oil painting panels (New Traditions, Raymar, Artefex) fine weave. You can also use Centurion or NY Central linen panels which are more affordable (Jerry's Artarama) as long as it's the finer weave, don't use the store brands or cheap panels. A rougher weave will make certain effects more difficult to do.
Sizes- 12 x 16 or 14 x 18- I would bring 2-3

Brushes- I use a variety for different purposes.
Bristle brushes in a variety of sizes filbert and rounds and a few bristle fan brushes. Also some synthetic haired brushes like Rosemary and Co.'s Masters Choice series long filberts in a variety of sizes. If you have favorite brushes you are welcome to use those.
